**Attachments:** Perfluoroalkyls\_MRL\_Dr2\_Deliverables.piz

Hi Joyce,

It was nice talking with you. Attached is the Perfluoroalkyls Draft 2 MRL Package zip file. Please rename the extension from .piz to .zip.

The proposed draft MRLs have yet to be reviewed by the ATSDR MRL Workgroup, so please do not cite or share.

Please send comments by June 14, 2017.

Regards,

Selene
